

CONNECTIONS that NOURISH

A MESSAGE OF THANKS

Dear Friends of Meals on Wheels Diablo Region,

Thank you for standing with us throughout **2025** and our **July 2024–June 2025 fiscal year**. Your commitment has helped Meals on Wheels Diablo Region respond to the evolving needs of older adults across our community.

This year marked meaningful progress and important transitions. When our **Breakfast Bag** program concluded in October, our team worked quickly to ensure no senior was left behind. Every client who was not already receiving Home-Delivered Meals was successfully enrolled, maintaining access to nutritious food and weekly safety checks. We also launched our new **Global Menu** in partnership with TRIO Community Meals, expanding meal variety to better serve our diverse community while improving efficiency for staff, drivers, and volunteers.

Your Impact in Action

One powerful example of this work reached far beyond Contra Costa County. A short media clip featuring one of our clients, Alfred D., was viewed more than one million times online. To many, Alfred appears to be a quiet neighbor—but his story resonated deeply. Viewers learned that Alfred once represented Egypt as an Olympic gymnast and later became a competitive bodybuilder, his journey captured national attention.

For Alfred, however, the true impact isn't the recognition. It's the dependable meals and friendly weekly check-ins that allow him to continue living independently in the home he shared with his late wife. His experience reflects the heart of our mission: delivering nourishment, connection, and dignity to each person we serve.

Looking Ahead

Over the past year, we also laid the groundwork for future growth. In 2026, Meals on Wheels Diablo Region will expand to offer **full-service operations in West County**, adding Home-Delivered Meals to the supportive services already available in the region. We are also preparing to move into our **new headquarters in Shadelands, Walnut Creek** this spring and we extend our sincere thanks to BPM for hosting us since 2022 and assisting with the transition.

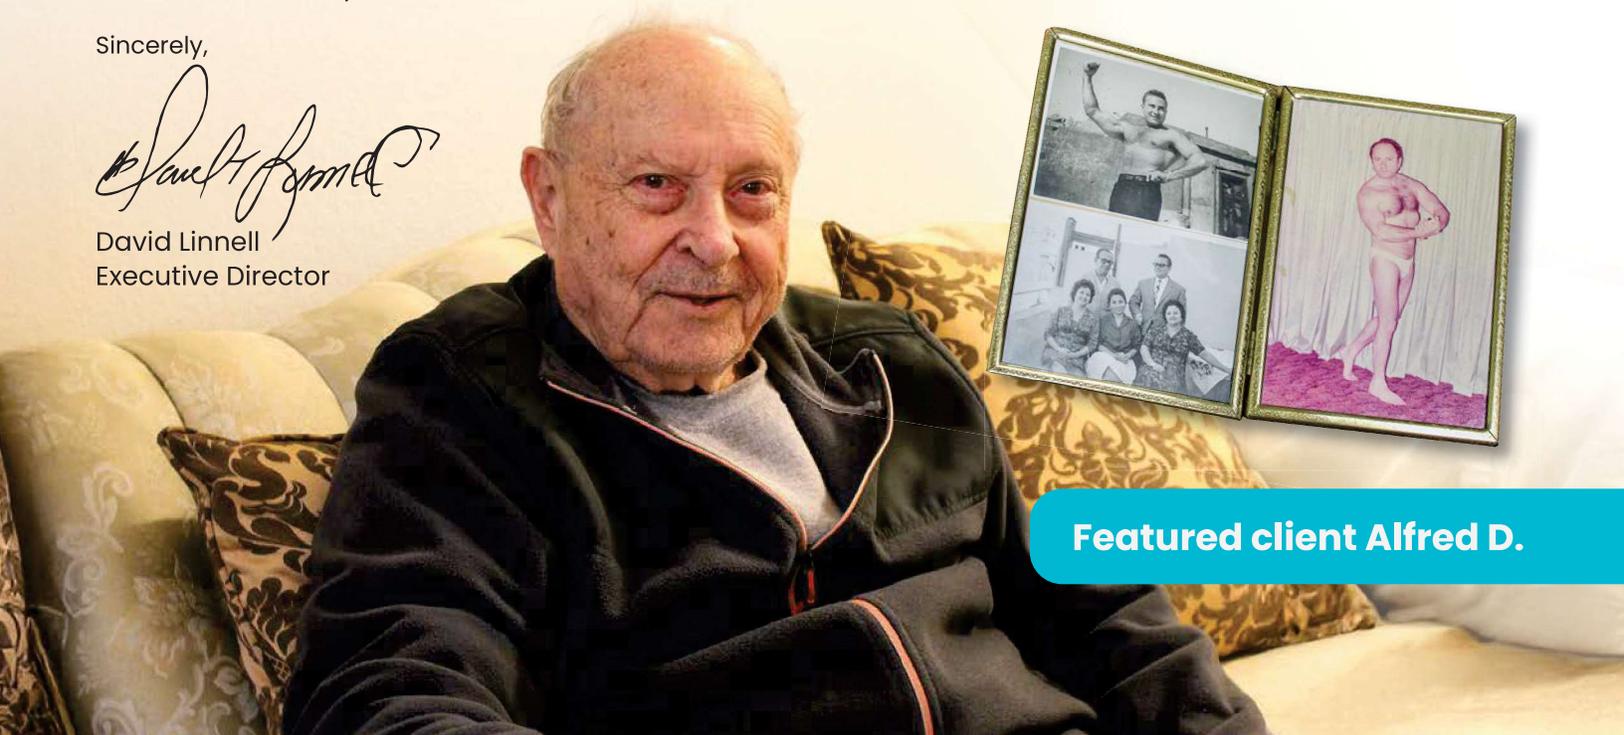

We are proud to collaborate with local nonprofit partners in the **Food Security Collaborative of Contra Costa County**, working together to address hunger and food insecurity close to home.

None of this progress would be possible without our volunteers, donors, community partners, and the older adults and families who trust us each day. Your belief in this mission strengthens our work and nourishes connections within our community.

Sincerely,

A handwritten signature in black ink that reads "David Linnell".

Able Auto

MEALS on WHEELS

DIABLO REGION

390 Wiget Ln, STE 200, Walnut Creek, 94598
www.mowdiablregion.org

Delivering more than a meal, Meals on Wheels Diablo Region is a leading senior service provider of home-delivered meals, fall prevention, congregate meals, health and wellness programming and care management services. We are the only Meals on Wheels in Contra Costa County that directly serves seniors in need.

If you or someone you know can benefit from our services, please call our office at (925) 937-8311 or visit our website.

The 2025 Dining to Deliver Gala was a record-breaking fundraiser for Meals on Wheels Diablo Region, bringing together community members for an evening of inspiration, celebration, and generosity. The evening featured a show-stopping duet by Ellen "The Singing Auctioneer" Toscano and former Board Chair Renee Morgan, followed by a lively dance hour with music from The Time Bandits. A vibrant silent and live auction energized the room, with one-of-a-kind experiences and items that helped drive the night's outstanding results.

We are deeply grateful to our exclusive Diamond Sponsor, Pacific Gas and Electric Company, and our Emerald Sponsor, CSAA Insurance, whose commitment and partnership helped make this unforgettable evening possible.

"The Dining to Deliver Gala is a celebration of the dedication that fuels our mission," says David Linnell, Executive Director of Meals on Wheels Diablo Region. "Thanks to the generosity of our sponsors and attendees, this annual event helps us better meet the growing needs of our older neighbors and continue delivering weekly meals to more than 2,500 seniors."

We look forward to the **5th annual Dining to Deliver Gala on Saturday, June 6, 2026, at the Blackhawk Museum in Danville.** With the theme *Everything in Bloom*, the evening will celebrate new beginnings and continued impact.

To learn more about sponsorship opportunities or to join the invitation list, please contact events@mowdr.org or scan the QR code for details.
